Clarity Cleanse

These beautifully made oils are 100% certified Organic, 100 % Vegan and Cruelty free. No Parabens, emulsifiers, silicones, phthalates, mineral oils, EDTA, synthetic additives, GMO's or synthetic fragrances or colours and also no preservatives are used.

By applying natural plant derived ingredients, which are chemical free, we are allowing our skin to breath and glow with radiance.

The key ingredient is JOJOBA oil. The closest match to our own skin DNA and packed full with essential omega 3. Perfect for irritated/dry skin and has miracle effects on acne prone skin too! We use the following oils in our blends, Argan, Castor, Frankincense, Geranium, Helichrysum Jojoba, Lavender, Olive, Manuka, Patchouli, Sandalwood, Tea Tree, Vetiver and Ylang Ylang.

Naked Mud

This peat is the result of deep sedimentation over 40,000 years and is found in a secluded region of Canada. It is a unique substance infused with a rich collection of flora, a variety of essential minerals, trace elements, enzymes, organic acids and other natural substances that are formed from the biological degradation of plant material. These naturally balanced ingredients have astonishing health benefits and are greatly sought after for their many curative properties.

Distilled Water and Pure Organic Drinks

We use only pure distilled water in all of our beverages plus only 100% Organic produce for all Smoothies, Juices, Wheatgrass Shots and Herbal Teas that we serve on the premises.
