

THERAPEUTIC CANCER CARE

At the Freedom Centre we have an extensive range of therapies, treatments and products to heal, stimulate and support your immune system and help you to connect to your innate body wisdom. We can develop a programme to support you in detoxifying, oxygenating and thereby alkalising and strengthening your body, whilst also providing a caring environment focussed on your mental, emotional and spiritual well-being.

We offer the following:

INITIAL CONSULTATION by both our Naturopathic Doctor ANNETTE SCHAEFER and Holistic

Physiotherapist LOUISE SEGUI
